Hi Mrs. Thompson,

Thank you for reaching out to meet with Governor Cooper regarding the Atlantic Coast Pipeline in January. Unfortunately, the Governor is not able to meet and I am sending regrets on his behalf.

I am hoping Jeremy can help facilitate a meeting with you all and the appropriate parties. He will follow back up.

Thank you again,

Claudia Shoemaker

Dear Governor's Office Scheduling Staff,

I am writing to request a meeting with Governor Cooper and relevant staff to discuss the proposed Atlantic Coast Pipeline sometime in January, preferably the first half of January. Meeting attendees for the Southern Environmental Law Center (SELC) would be Derb Carter, Geoff Gisler, David Neal and myself. Topics that we would like to discuss are

environmental permitting and environmental justice, the need for the pipeline, impacts on utility ratepayers, and economic development.

Thank you for considering this request.

Best Regards and Happy Holidays,

Gudrun Thompson
